

CHROME
SERIES®

4026

HexArmor®

Chrome Series® Our signature mechanic's style glove line that redefined cut protection, impact resistance, and dexterity in the safety industry.

The hi-vis Chrome Series® 4026 protects against the most prevalent worksite hazards with an interior layer of SuperFabric® brand material on the palm combined with our advanced impact-resistant guards on the back of the hand. Our signature Mud Grip® palm and form-fitting materials complete the glove, delivering the flexibility and comfort that you expect in a mechanic's style glove from HexArmor®.
