XG Xtra Grip

MADE IN GERMANY

uvex Point of Difference	Benefits
Certified according to EN 388 (3 X 4 2 C), DIN EN 16350:2014	Combines cut protection with ESD function to protect workpieces against electrostatic discharge and the wearer from medium cut hazards
uvex aqua-polymer Xtra-Grip coating	Provides wearer with outstanding grip in oily environments and high levels of abrasion resistance
Extremely breathable thanks to the open-pore foam coating	Comfortable to wear for long durations in humid and hot regions
Perfect fit thanks to the 'slim-fit' design and 3D Ergo technology	Feels like a "second skin" and forms comfortably to the wearers hand
uvex Pure Standard and free from allergenic accelerators	Free from harmful substances (OEKO-TEX® Standard 100) and skin friendly confirmed by dermatologists (proDERM)
Touchscreen compatibility for use on all standard screens, tablets and mobile phones	The glove stays on during the full period of exposure

Target Applications (but not limited to):
