prevents injuries and
damaged contents

ergonomic design
reducing hand fatigue
and stress

recessed stainless
steel blade

ergonomic design
reduces hand fatigue

Suitable for left and
right hand use

The Diplomat A69 safety cutter is engineered to deliver a superior combination of safety, versatility, and ease of use, making it a dependable tool in fast-paced working environments. Its thoughtfully designed recessed blade significantly reduces the likelihood of accidental contact with fingers or hands, helping to minimise the risk of workplace injuries while maintaining cutting efficiency. Built for reliability and comfort, the A69 features an ergonomic design that promotes controlled handling and consistent performance over extended periods of use. This makes it an excellent choice for professionals who require both precision and safety in their daily tasks.
