- Education

How it works

1. Squeeze action
handle to extend blade

2. Begin cutting while still
squeezing down the
action handle

3. Blade automatically
retracts after cutting
without releasing
squeeze handle

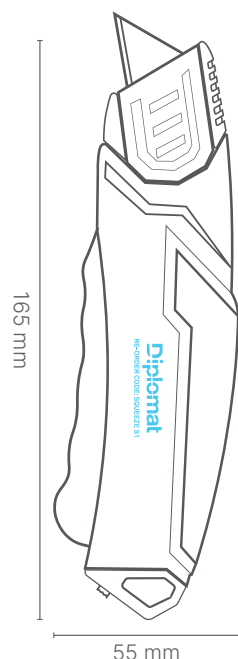

Diplomat

Safety Retractable Knife

Smart Retract Heavy Duty Metal Safety Knife with Squeeze Action Trigger and **Ceramic** Blade

SQUEEZE S1C

Blade automatically retracts after cutting even when holding squeeze trigger

safer than metal blades

Comfortable squeeze action trigger handle

Reducing injuries and damaged goods

The Diplomat SQUEEZE S1C Heavy Duty Metal Smart Retract Safety Knife puts safety first with its **ceramic** blade and a dual action auto-retractable blade that reduces the chance of injury. The **ceramic** blade is rust-resistant, non-conductive, non-magnetic, and non-sparking, ensuring that it outperforms traditional metal blades, making it a superior choice. The metal body makes it more durable and ready for heavy-duty work but still light and comfortable to hold.

Features & Benefits

- Heavy duty, lightweight metal housing with comfortable rubber grip
- Ceramic** blade - safer than metal blades
- Comfortable squeeze action trigger handle preventing hand fatigue
- Blade automatically retracts after cutting without releasing the squeeze action trigger
- Blade lock button to prevent action handle and blade from moving and accidentally protruding
- Lasts longer than metal blades
- Reversible blade for double the life span
- Easy to change blade, no tools required
- Suitable for left and right hand use

Replacement Blades

(ceramic blade)
A58CB-100

WHY CERAMIC?

CERAMIC	VS	METAL
✓ LONGER LASTING		✗
✓ SAFE-TO-TOUCH		✗
✓ DURABLE HARD MATERIAL		✗
✓ RUSTPROOF - USE IN WET		✗
✓ NON-CONDUCTIVE		✗

LONGER LASTING

LESS BLADE CHANGES

*Up to 12 times longer than metal blades

Instructions for changing blades

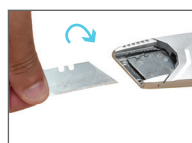

1. Switch blade lock on for extra safety

2. Remove front cap to show blade

3. Switch the blade lock off and squeeze the trigger to extend the blade

4. Remove and rotate the blade if needed or replace with new blade

5. Carefully place the blade into position

6. Release the squeeze trigger and carefully place the front cap to start cutting

Product Details

Code: SQUEEZE S1C

Technical

MATERIAL	Metal, rubber, ceramic
DIMENSIONS	L:165mm, W:20mm, H:55mm
WEIGHT	171 grams
