

MOZART U-CUT Universal Knife

With Dual Sided Concealed Mozart Hook Blade

U-CUT

Cut the packaging, not the contents!

Millions in value are lost every year - just from opening packaging incorrectly. With the U-Cut universal knife, that risk is a thing of the past. It reliably protects both the contents and the user: for maximum safety without the risk of cuts.

FINEST IN CUTTING

MOZART U-CUT Universal Knife

With Dual Sided Concealed Mozart Hook Blade

U-CUT

Original MOZART
hook blade

The **MOZART U-CUT Universal Knife** cuts the packaging - saves the contents. Designed with an integrated tape splitter and practical lanyard eyelet. The dual sided hook blade makes this cutter economical with twice the performance. The MOZART hook blades are concealed to protect the user and the contents. Ideal for up to 2x wall corrugated cardboard, plastic strapping, adhesive tape, string, plastic cable ties, and much more. **Safe by design.**

Features & Benefits

- Glass fiber reinforced plastic makes the handle durable and robust
- Integrated tape splitter at the rear end of the handle - easy cutting of adhesive tape
- Suitable for both right and left handed users
- Blade is permanently installed, making it especially safe
- Original MOZART hook blade 100% made in Solingen - over-molded for optimum protection against cuts
- Special profile for secure grip in the front area - non-slip handle for safe working
- Longer lasting high quality hook blade
- Made in Germany

Original MOZART hook blade

Encased for optimal protection

Special profile for a secure grip

Integrated tape splitter
